Determination

To fill your lungs with cold air, to etch your trail in fresh ice, to stand up again, to compete and win or lose with pride, to be stronger every day, to chase what you've been dreaming of.

On behalf of budding figure skaters and hockey players and in hopes of closer families, stronger communities and tighter teams— we thank you

Arctic Wolf Ice Center offers unparalleled Figure and Hockey developmental programs in which skaters may enjoy a variety of classes for beginners through advanced levels. Competitions, shows, exhibitions, and the US Figure Skating Basic Skills Program encourage participation from the young to the young at heart. We have a qualified Professional Coaching Staff. Each coach is a member of at least one of the following organizations recognized worldwide: Ice Skating Institute (ISI), US Figure Skating, US Figure Skating Basic Skills, Professional Skater's Association (PSA), and/or United States of America Hockey Association (USA Hockey)
